3esi Ranks 12th on Alberta Venture Magazines Fast Growth 50 List

Calgary, Alberta — January 2, 2010

3esi, a world class supplier of Business Planning and Capital Management Software for the Oil and Gas industry, today announced that it has placed 12th on Alberta Venture Magazine's Fast Growth 50 List for 2010, which recognizes innovative and enterprising Alberta companies that are poised for success.

Alberta Venture Fast Growth 50 List for 2010

"Being included on the Alberta's Fast Growth 50 List for 2010 is a real honor. We are very happy having been recognized as a key player in the Alberta business community. We strive to provide innovative software solutions that help our customers solve their complex business problems and we are very proud to be recognized for innovation and to be included on this list." said Wayne Sim, 3esi, CEO.
